## Competitive Advantage:

### 1. Fine fabrics

We carefully select high-quality fabrics and threads to create every dress. We look for vibrant colors, beautiful sheen and rich textures in every material that goes into your dress.

### 2. Elegant beading

Many of our dresses feature beading on the sleeves or skirt. Professional dressmakers spend hours sewing on beads and pearls to perfect an elegant and classic design for you.

### 3. Exquisite embroidery

Embroidering a wedding dress takes great skill and an eye for detailed designs. Our dresses feature exquisite hand-done embroidery, brought to life from patterns and the hands of dressmakers.

### 4. Hand ruching

Ruched detailing is not just decoration for your dress-it can create a figure-flattering silhouette. Our tailors do ruching by hand to create the perfect shape and fullness on each dress.

### 5. Hand appliques

Hand-done appliques can give a dress that extra detail that takes it from pretty to breathtaking. Our dresses feature appliques arranged into beautiful designs and attached by hand.

### 6. Lining and boning

All our dresses are fully lined and structured to hold their shape and flatter your figure. Our full-skirted dresses use a hard net lining underneath a soft fabric that feels comfortable against the skin.
