Competitive Advantage:

1. Fine fabrics

We carefully select high-quality fabrics and threads to create every dress. We look for vibrant colors, beautiful sheen and rich textures in every material that goes into your dress.

2. Elegant beading

Many of our dresses feature beading on the sleeves or skirt. Professional dressmakers spend hours sewing on beads and pearls to perfect an elegant and classic design for you.

3. Exquisite embroidery

Embroidering a wedding dress takes great skill and an eye for detailed designs. Our dresses feature exquisite hand-done embroidery, brought to life from patterns and the hands of dressmakers.

4. Hand ruching

Ruched detailing is not just decoration for your dress-it can create a figure-flattering silhouette. Our tailors do ruching by hand to create the perfect shape and fullness on each dress.

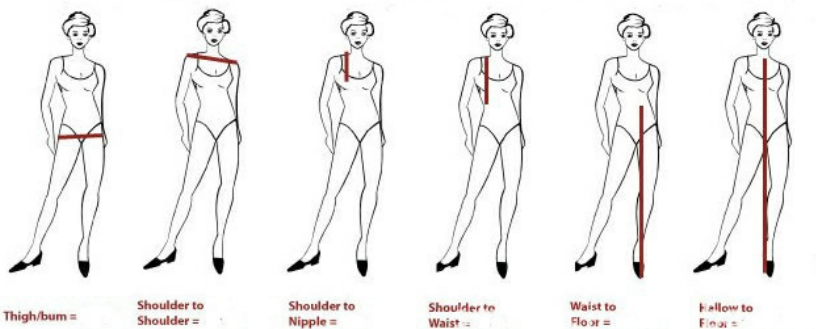

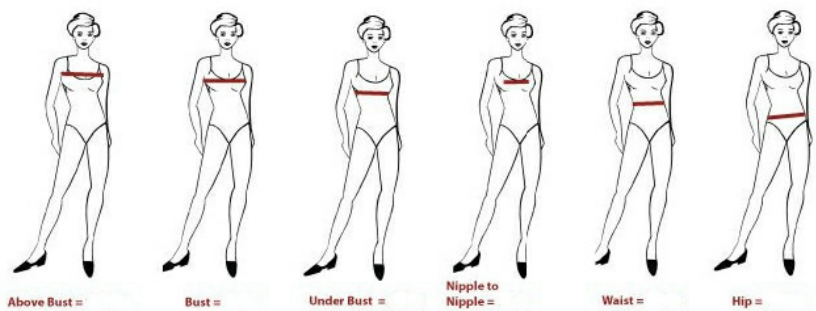

5. Hand appliques

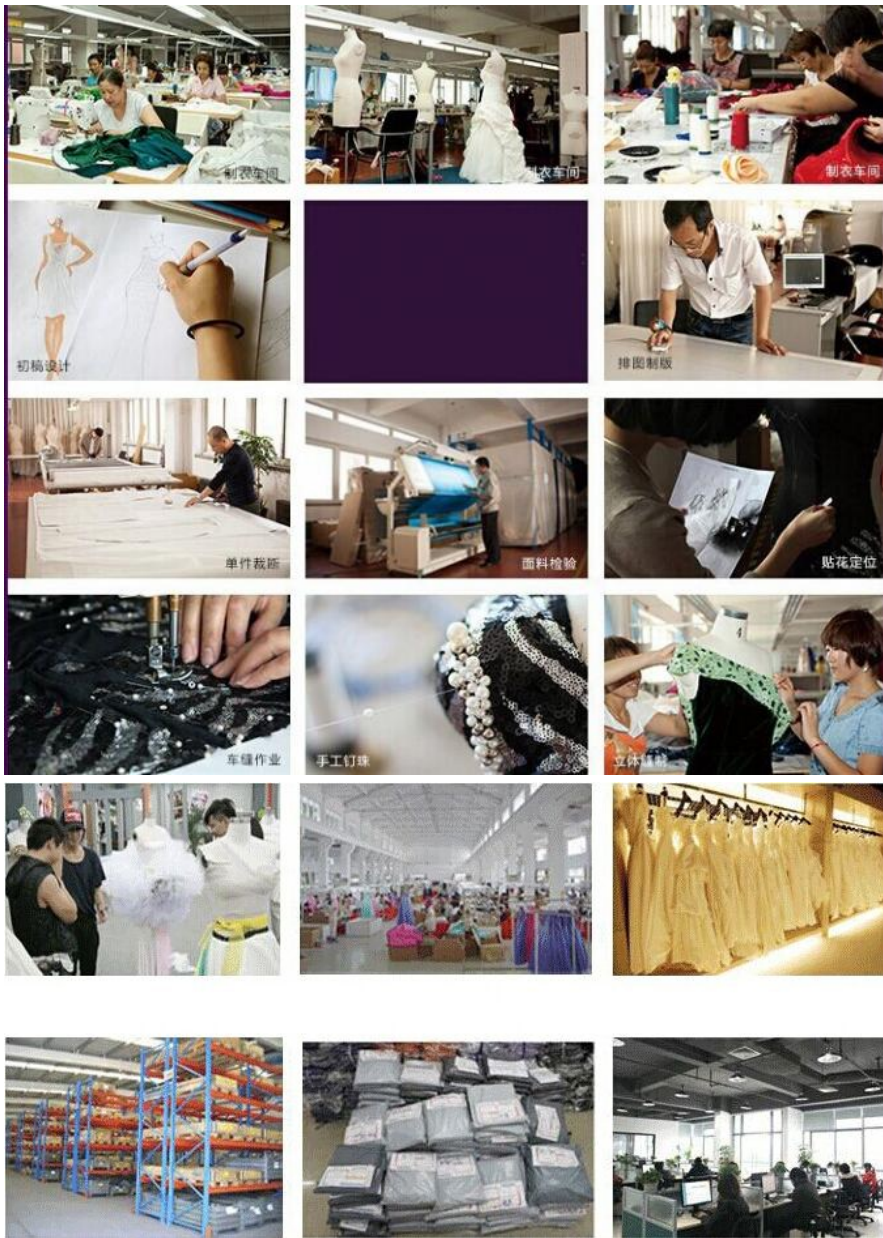

Hand-done appliques can give a dress that extra detail that takes it from pretty to breathtaking. Our dresses feature appliques arranged into beautiful designs and attached by hand.

6. Lining and boning

All our dresses are fully lined and structured to hold their shape and flatter your figure. Our full-skirted dresses use a hard net lining underneath a soft fabric that feels comfortable against the skin.

MEASUREMENT SHEET

与普通婚纱对比
Compared with ordinary

- ▶ All of every wedding have joined at least 10 fish bones, breast shape is one good-looking or not an important criterion wedding wear, so even if the wedding will be perfect breast shape tile can also see the outline.

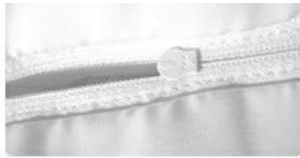

- ▶ Ordinary wedding due to fewer fish bone support, when there is no tile shape is very transparent in the use of thin fabric, still vaguely see the built-in chest cotton.

- ▶ All of each piece of high-end wedding are fitted 3-5cm insurance deduction, hang the bag is also used to bring the highest quality silk production, so that you feel at ease.

- ▶ For the most common wedding 1cm wide inferior insurance deduction, Lanyards quality can not be guaranteed.

- ▶ AJJI zipper very elaborate and complex, wedding zipper is sewn on the inside, not only look beautiful, but also very comfortable to wear.

- ▶ Ordinary wedding seams exposed zipper, simple and rough work, but also easily damaged.

- ▶ AJJI simple and elegant wedding back inside, both before and after adding 0.8-1.0cm wide fish bones, which can ensure that every bride who wear wedding are so noble and beautiful.

- ▶ Inside the back looks ordinary wedding simple and rough work, the entire back no one fish bones, soft, entire wedding figure also soft.

- ▶ AJJI wedding skirt are double, but with elegant lining, built-catcher, that is simple and upscale.

- ▶ Ordinary wedding skirt, mostly single, simple thin rough work, sewing is also very simple.

- ▶ AJJI wedding pin code for the 0.08-0.15cm, very fine.

- ▶ Ordinary wedding are mostly coarse stitch 3CM, work less.

- ▶ AJJI used wedding dress with beads are drilled with excellent products and imported super A diamond beads, to ensure the brightness and long-lasting without fading.

- ▶ Wedding dress for the most common Class B drill and plastic beads, easily oxidized black, fade.
